We'll be happy to help, but Carter and I will be at a mandatory all day all hands Enforcement Division retreat on Monday. If Liz can take the first cut on Monday and perhaps make the contact with Jean, Carter can chime in on Tuesday.

PS: Who is Audrey Johnson? Did you intend Kathleen Johnson? (see your addressees)

Kathy - if ok with you let's put Liz and Carter together on this first thing Monday? I envision a flow chart...

Jason, thanks for highlighting the interdependencies and timing potential disconnects. Kathy and Carter were in the room and had mentioned us offering to put together a straw understanding of them, hence Jared's assignment. You should feel free to work out with them who can best do it. We agreed it would be good for whoever is going to do it to reach out to Jean to understand better their timeframe and implications.
